Foundation contributes to development of the future workforce in Roxby Downs

The Uni Hub Spencer Gulf to deliver the 'Growing our Own' Skilled Workforce Program in Roxby Downs.

The vital partnership between the Local Buying Foundation and Uni Hub Spencer Gulf means support is now available for those wanting to access university without leaving the region.

Local educator and researcher, Angela Thompson has been appointed as the Uni Hub's Roxby Downs Coordinator and will help deliver the 'Growing our Own' Skilled Workforce Program, which has been funded by the Local Buying Foundation. This will involve working with local employers and employees on staff up-skilling, cadetships, apprenticeships, scholarships and work placements.
